LEONARD HOLMSTEN

By Jim Sauer

Over the years Leonard has very seldom attended any of our meetings. He has remained a member "behind the scenes" as it were. He's helped, mainly with exhibits, but in other areas too.

Leonard's health has deteriorated in recent years and as a result he has moved from his home in Hayward to a gated retirement development in Brentwood near his son. He's unable to drive any longer and it's unlikely we'll see much more of him at area stamp shows. However, he was at WESTPEX and many of you may have seen him there.

Leonard has donated several boxes of books and other material to the Western Philatelic Library plus other material which will be distributed to selected stamp clubs and children's tables at local stamp shows.

His presence and work behind the scenes will be missed. His always willing to help nature will also be missed. He's helped so many get started with collecting and exhibiting — plus his mentoring of other collectors has been a force primarily in the Bay Area, but around the country as well.

He's been a friend to many of you with and without your knowledge. Leonard, you will be missed.

PENPEX IS COMING, DECEMBER 1-2

PENPEX is coming to the Redwood City Community Center on December 1-2.

Recollections of SOPEX Past

My name is Len Lukens, I live in Portland, Oregon. I've been a member of SOPS since 1965 and was very much involved with SOPEX from that year. The club met at the Girls' Community Center prior to my coming to Medford.

Elmer Binker was in charge of SOPEX and we had exhibits in 6-page frames. I became his assistant in 1965. He ran SOPEX up until 1968 when we moved to the Red Lion Inn until we had the sprinklers go off which resulted with some exhibit pages being ruined.

WATER DISASTER

Pat Patterson and I had just put up the last frames when this happened. All the club members jumped in and we moved all the exhibits that were getting wet. All I remember about those few minutes was the taste of water was not good. Most everyone were soaked to the skin. We were able to get into the frames, and save pages the water ran down the glass and came back up into the frames. Some material was ruined. When we went after Red Lion Inn to pay for damage, they refused claiming fault lay with the sprinkler company. Of course it had gone out of business

PIPEX SHOW

The next year we hosted PIPEX, a national level show, in the national Guard Armory. The difference between local and regional is local is put on for the benefit of the local members only to exhibit, whereas regional is open to any exhibitor. We made money from that show, over \$900.

Up until this time we were running always short and folks helped keep the club afloat. After PIPEX we went into the Holiday Inn for a couple of years. This was about the time Frank and Nancy Swan got really involved.

Then the manager of the Red Lion Inn approached us and wanted us back, he was a stamp collector and knew about the sprinklers, he gave us a deal. We stayed there for several years until Rich Moyer got us into the Catholic grad school. We stayed there for some time.

CHARTER MEMBER

We had a charter member in Norm Stevens who had worked at United Air Lines, and often flew out of Medford to stamp show all over the U.S.A. I bring Norm up because he had moved back to Nebraska and got married. He came to our shows from way back there.

Well, his wife and Norm came one Saturday, as they were entering the gym, she broke her ankle on cement work. The church said no to claim for injury, the city said the same. Anyway it got settled. Ed Parkby was in charge of SOPEX and he got us moved to the present location.

A LOT OF WORK

I'm not sure if a lot of folks know all the work that goes into setting up and taking down a show, but some names that come to my mind are Don Bryant and his wife, Pat Patterson (president), Rich Moyer and his wife, Larry Crain, Ed and Charlotte Parks. I might add thanks to the dealers who show up, they pay the bill for the rental of the hall, and to all others who have helped SOPEX.

VALLEJO STAMP CLUB RECOGNIZED BY JANET KLUG

Earlier this year, Janet Klug, APS President, sent a letter commending the Vallejo Stamp for their perseverance!

THE AMERICAN PHILATELIC SOCIETY

Janet Klug President P. O. Box 250 Pleasant Plain, OH 45162

Dear Mr. Turrini and Members of the Vallejo Stamp Club,

Congratulations to all of you on the 60th anniversary of the Vallejo Stamp Club! This is no small achievement for any stamp club and it takes the dedication of many volunteers to keep a club going.

Local APS chapters such as the Vallejo Stamp Club provide fellowship, knowledge and goodwill to collectors that APS can't easily reach. There are not sufficient words to express how important that is to the future health and growth of our great hobby.

Here is something you may not know. I have an abiding fondness for Vallejo. My husband and I lived there for the first three years of our marriage (1969 - 1971). Russ was in the Air Force, stationed at Travis AFB. I worked for Electronic Data Systems in the city. Vallejo was sort of a halfway point between the two places of business. At that time Mare Island was still a huge, active Naval base. Vallejo put on the BEST EVER Fourth of July parades and picnics at Dan Foley Park. On weekends Russ and I would go out to Red Top and get a thick vanilla milk shake the likes of which I have not experienced since.

I wish you continued success. Stamp clubs are struggling, but it is worth the struggle.

Janet

Vallejo Stamp Club meets at 6:30 PM on the first Tuesday of the month, in the Wee Kirk Room at Community Presbyterian Church, 2800 Georgia, between Annette and Steffen, in east Vallejo.
