Council dues are \$10 per year for each Member Club, Society or Organization, due each January 1.

The Council publishes *The Council Courier* and provides one copy to the Primary Contact of each Council Member Organization via email if an email has been supplied. You are encouraged to share that copy at meetings.

If additional copies are required, please furnish names and email addresses to the Editor of The Council Courier. It is important that Council Member Organizations stay in touch. Please be certain that The Council Courier Editor is added to your newsletter distribution.

If your organization wants assistance from the Council in other areas or you have suggestions for consideration, please contact the Council President.

The Council also provides a Speakers Bureau for Clubs.

Contact for assistance and advice is on the CNCPS web site for all of the above under "Officers and Committees."

COUNCIL MEETINGS occur several times each year, usually in conjunction with a local stamp show. Each is announced on the CNCPS web site www.norcalstamps.org and published in *The Council Courier* newsletter. Please be certain your club is represented at these meetings.
